

# Rental Housing Search Websites

Revised: 10/25/13

Name	Comment
<b>scchousingsearch.org</b>	User friendly in guiding searcher to find affordable housing; availability <u>is</u> kept up-to-date. The information is presented and the search parameters are very helpful.
Housing SCC.org	User friendly in guiding searcher to find affordable housing; availability is <u>not</u> kept up-to-date. The information is presented and the search parameters are very helpful.
NewLifeStyles.com	Enter the city or zip code and select the service/housing you need and it provides the list of resources with contact info.
Craigslist.org	Free: features an ever-changing landscape of listings mostly posted by smaller landlords and property managers. May or may not have descriptions.
Newspaper sites: e.g., MercuryNews.com	Allow users to search for listings they have; has a searchable database that includes photos and allows users to browse options and compare.
Apartment finder services: e.g., bayrentals.com	Charges renters \$98 for 90 days of access to its listings.
Apartments.com ApartmentGuide.com ForRent.com HotPads.com MyNewPlace.com Rent.com	Sites specializing in large apartment complexes, often including multiple photos, addresses, maps and floor plans, lists of amenities and neighborhood information.
Housingchoices.com	Listing of variety of county resources, including housing
HelpSCC.org	Listing of all social service agencies in Santa Clara County
HACSC.org	Housing Authority's website: Section 8 tenant and owner information
UWSV.org or Dial 2-1-1	United Way Silicon Valley's site; access to Emergency Assistance Network
