May Is Mental Health Month

Launched in 1949 by Mental Health America (MHA), May is Mental Health Month is the most highly recognized mental health awareness event in the nation. NAMI National has created a toolkit with materials that reach millions of people with messages of health, wellness, prevention and recovery.

This year’s theme is Fitness #4Mind4Body. It tracks closely with the Fit for the Future theme of NAMI National’s June 2018 conference. During he month of May, let’s focus on what we as individuals can do to be fit for our own futures — no matter where we happen to be on our own personal journeys to health and wellness. If you are taking steps to live a healthy lifestyle but still feel like you are struggling with your mental health, visit www.mhascreening.org to check your symptoms. It’s free, confidential and anonymous.

March 8, 2018 General Meeting Write-Up
“How Tech Can Revolutionize Mental Health Care,” Lara Gregorio / 7 Cups of Tea
By Cole Buxbaum

Lara Gregorio, Director of Clinical Initiatives at 7 Cups of Tea explored how her service allows users to view self-help guides and browse listeners from around the world to seek advice and support for everyday emotional problems. It is offered both online and via mobile app 24 hours per day. “Isolation and loneliness are powerful emotions,” she says, “and being able to connect with another person who is interested in hearing your story and being supportive would likely be helpful for anyone.” Lara has been a therapist in diverse settings, including inpatient psychiatry and community clinics.

Whenever someone is feeling depressed, stressed or lonely, they can get anonymous emotional support from trained active listeners at 7 Cups of Tea.

Several million people from 189 countries use the service. The organization gives an opportunity to investigate the impact of mental illness, substance abuse, stress and social isolation by providing emotional support whenever it is needed.

People have said that talking anonymously with a listener makes them feel safe and really open up. The service is secure and clients are not judged.

South County Reentry Resource Center

On April 21, 2015, the South County Reentry Resource Center opened in San Martin as a 6-month, 1-day-a-week pilot to meet the needs of an underserved justice-involved population. It was clear at the end of the pilot that there was a definite need in South County for the services the Reentry Center provided. With the support of the SCC Board of Supervisors, as well as the Morgan Hill and Gilroy police departments, days of operation were expanded and a new site was considered.

We are proud to announce the opening of the Gilroy South County Reentry Resource Center at 8425 Murray Ave., Gilroy. The telephone number is 408-201-0690.

*Leah Dansby is Program Manager/Resource Specialist with SCC’s Adult Probation Department and is also on the NAMI SCC Board.
