

Behavior and Mental Health Study

recruiting participants now!

- Have you been **sober** for at least 6 months?
- Have you been involved in **Alcoholics Anonymous** in the past 12 months?
- Are you experiencing **psychological problems** or difficulties?

You may be eligible if you:

- are between 18-55 years old,
- have been sober for at least 6 months,
- are experiencing difficulties due to psychological problems
- are currently involved in AA.

If eligible, you may be compensated about \$300.
