

PARTICIPANTS NEEDED

You may be eligible if you:

- Have been diagnosed with schizophrenia or schizoaffective disorder
- Have access to a computer or smartphone
- Are willing to complete five self-report measures

This study aims to examine personal factors associated with recovery from schizophrenia. This study is seeking participants with schizophrenia or schizoaffective disorder to complete an online survey. Participation in this survey will require approximately one hour and can be completed online at your convenience.

If you are interested, please visit

https://adler.co1.qualtrics.com/jfe/form/SV_1AFBe10vSbf48GV

to complete the survey.

If you have any questions please contact:

Ted Bemenderfer

317-752-3134

tbemenderfer@adler.edu

- Participation is completely voluntary and you may end the survey at any time.
- Anyone can participate. There are no geographical restrictions.
- Your participation and information will be kept confidential.
