NAMI SCC tel: **(408) 453-0400, Option #1**

Target Audience:

- Mental Health and AOD Professionals
- Para-professionals
- Case managers
- Residential care givers
- Front office Staff
- RNs
- Psychologists
- Outreach workers
- Vocational and job Counselors
- Psychiatrists
- Others serving individuals with serious mental illnesses and their families.

Goals and Objectives:

- You will gain a working understanding of the bio-psycho-social model of collaborative treatment
- You will gain insight into the lived experience of mental illness
- You will have a working understanding of adaptation to diagnosis, medication, and treatment
- You will gain an appreciation of the positive outcomes of team collaboration where consumers, family members and professionals work together

Course designed by Joyce Burland, PhD, Clinical Psychologist and former National Education Director of NAMI.
