Our Programs

NAMI-SANTA CLARA COUNTY SERVICES – ALL FREE OF CHARGE AND IN MULTIPLE LANGUAGES

- **Support Groups** for individuals living with mental health conditions and for families and caregivers
- **Helpline** offering one-on-one support, local resources, and a listening ear
- **Classes that help families, parents, and individuals** better understand mental illness and how to support recovery
- **Community Peer Program** featuring trained peer mentors with lived experience who provide ongoing support and connection
- **Presentations in schools and communities** to educate about mental health, reduce stigma, and encourage help-seeking
- **Community Outreach** at events, workplaces, and faith centers to promote mental health awareness
- **Advocacy** to improve mental health systems and policies in our community
